STUDENT LIFE

A large, stylized illustration of a smartphone is positioned at the bottom of the page. The screen of the phone is filled with a grid of colorful icons representing various student activities, such as sports, arts, and social events. Above the phone, several photographs of students are scattered, some tilted at angles. These photos depict students in various settings: two girls smiling, a group of students in a hallway, a student in a lab coat, a student in a graduation cap, and a group of students in a social setting. A large, glowing blue arc curves across the top of the page, and a green line loops around the middle, connecting the photos and the phone screen. The background is a dark, textured surface.

Class of 2012,

I am pleased to once again congratulate you for the success each of you achieved while students at Billerica Memorial High School. This success recognizes years of effort between you, your parents and all faculty with whom you had contact throughout your education.

During your time at BMHS, we sought to provide you with the social, academic and thinking skills necessary to support your continued growth. As you transition to the workplace or institutions of higher education, it is hoped that you are able to call upon your experiences here to assist in the achievement of your future goals. While you enter the next phase of your lives with some uncertainty, you need to have confidence that you have been well prepared to meet the challenges that await you.

You entered BMHS as several individuals each striving to achieve your own goals. You leave us as a single Cohesive group that came together for 4 years to represent BMHS in a wide range of activities. On behalf of the entire faculty I congratulate you on what you have accomplished and know that there is much more for you to do.

Congratulations and best wishes!

ART SHOW

SENIOR EVENTS

A vibrant collage of senior event photos is arranged around a large smartphone. The phone's screen displays a grid of colorful icons representing various activities like sports, arts, and social events. Several photos are floating around the phone, connected by thin, glowing lines. These photos include a student sliding down a rainbow slide, a group of students cheering with their arms raised, a student lying on a large inflatable animal, and various smaller images of students in different settings, some wearing costumes. The background is dark, making the photos and the glowing lines stand out. The overall theme is a celebration of senior events and student activities.

An NBA lockout did interrupt the start of the basketball season, with 16 games for each team getting removed from the schedule before an agreement was reached and the season began on Christmas Day.
